Dear endorsers of the "5 days for the Cuban 5" in Washington DC,

Thank you so much for sending your endorsement for the upcoming activities in Washington DC from April 17 to 21.

As you may know the case of the Cuban 5 have been highly silenced by the corporate media and that is why these of us involved in the struggle to free the Cuban 5 in the United States, need to organize this type of actions to spread the word about the case.

The great number of endorsements from Sweden, including religious personalities, actors, actresses, artists, directors, journalists, singers, musicians, Members of Parliament, and many others, give a tremendous strength to the 5 days for the Cuban 5 in Washington DC.

We know that counting with friends like you, Gerardo, Ramon, Antonio, Fernando and Rene will soon be able to return to their loved ones in Cuba.

Thanks again for all your support,

In solidarity,

*Alicia Trapko*
